Subject: Quick Legislation Questions

Just wanted to confirm for my analysis that the following bills won't have a fiscal impact on DPH:

HB 241 – "Cove's Law"

HB 360 – Re: Expedited Partner Therapy

Also, I'm currently also reviewing SB 193 that makes changes to the Positive Alternatives to Pregnancy and Parenting Grant Program, and would like estimates on any impact of those changes on DPH. In addition, if you could get me some sort of estimate on the medical cannabis oil impact, I would greatly appreciate it. We have a 5 day internal deadline for policy reviews of legislation and I have far surpassed that with these bills.

Thanks so much and look forward to talking with you in the morning!

Melissa
